As well as our fabulous range of Christmas Poultry we also offer the finest quality Beef, Pork and Lamb. All our meats are sourced locally from the farms of North Northumberland and Acklington auction mart, and this year we will once again be offering Aberdeen Angus Beef from local farms in addition to our usual Limousin Beef.

We've gone to great lengths to ensure the quality of our Beef for this Christmas. As well as purchasing our beef from local farms, it is pre-pared using traditional methods of butchery, handed down through four generations of the Turnbull family. Like a good wine, we've matured the beef to ensure both taste and tenderness and we're ready to offer good old fashioned service and years of knowledge when you call into our shop to place your order.

Our Pork is sourced locally and we have some delicious traditional cuts lined up as well our delicious Boned Loin of Pork filled with Apple, Apricot and Ginger Stuffing! Local Lamb is also available of course, with all your favourite cuts and dishes on offer.
